Dear Mr/Mrs/Ms,

With this letter i will introduce myself. My name is I Nyoman Gde Satria, i graduated from Institute Management Telkom of Bandung and my majors Design Visual Communication. Previously, I have experience in implementing work practices in the field of television broadcasting (Broadcasting) in Bali. In addition I had the opportunity to follow the work practice in making TV commercials (TV Commercial), video clip (music Video), and video documentary in Jakarta. Basically it is less there is a link between my work and the terms of recruitment, but from experience I get, I try to contribute in developing as well as helping to achieve the vision and mission of your company.

I am someone who has a great desire, always wanting to learn new things and improve insight, I can work with a team or personal. I am capable to using computer software. I hope to have the opportunity to learn at your company, and can contribute to the success.

I hope my qualifications and experience may be considered. Thank you for your attention and I apologize if there is mistake on the writing.

Regards,

I Nyoman Gde Satria
